MELEY'S PATENT IMPROVED Mounds.

More Money in it than any other Patent. It has Fifteen Years tonger to run.

the attention, admiration, and ap-proval of thousands or people, from all parts of the world, for its great usefulness durability and ex-quisite beauty.

The Improved Grave mound is destined to supercede all other Grave Ornamentation, and now is the time for sensi-ble enterprising men to MAKE FORTUNES, by buying State and County Rights.

130" The Patent Improved Grave Mound, at remarkably light expense insures the retention of the shape of the Marble Work. This improvement consists in enclosing the sides of graves with a brick or stone border, and then covering the grave with a 1½ inch layer of Hy-draulic Cement, mixed with sand, and or-namented upon its entire surface with beautiful shells. By this construction of the surface of the grave, when the sail on which depends the agreeable clearness sinks, the hardened cement and shells will and vivaeity of complexious of much sought retain their position, and form a permanent and graceful arch.

What the Papers say about it.

In country, village or city grave-yards, this Patent would be invaluable in preserving the resting places of the dead and making their appearance acceptable to the living. In the hands of an active undertaker, or any other energetic man. 4th Monday in June next before the it would soon realize a fortune.-[Nash-Chancery Court at Winchester, Franklin County, Tenn., and plead, answer, or de-mur to complainant's bill, or the same will Patent Improved Grave Mound is destined to supercede all other grave ornamen-

tation. It is highly recommended by the press of the country, and is cheap, durable and beautiful. Melcy & Neal, Dyershurg, Tenn., are the proprietors of the Patent."

The Brewnsville Bee says: "There is big money in it for enterprising men."

Fit and say, the most responsible and replaced of the most responsible and reliable character furnished on application, with hundreds of thousands of living witnesses, and upwards of 20,000 unsolicited certificates and recommendary letters, many of which are from the highest sources, is being money in it for enterprising men." tation.
